Dear Mikki:

Thank you for taking time out of your busy schedule to speak to the employees of the Executive Office of the President. Words can not express how moved we were by your outstanding presentation! It was by far the most successful program the WHAC has ever sponsored. Hopefully the rest of your visit to the Washington area went as well.

We received your letter today. As we expected the participant feedback was terrific! Enclosed are a few additional program evaluation forms.

Thank you once again for touching the hearts and lives of those around you! We look forward to working with you again in the near future. Feel free to give us a call if you are in the Washington, DC area. We would love to see you again!

Yours in Health,

Denise Terry, Program Director
